We believe that education is much more than the acquisition of knowledge; it is about the development of character and curiosity in a vibrant learning environment, and we are looking for an SEN Assistant, who can join us in continuing to deliver our vision of excellence.

You will work in partnership with our SENCO team and our classroom teachers to support effective practice for our pupils with identified learning needs, i.e., special educational needs, physical disabilities and EAL, so that they make progress in line with the school's expectations.

You will need to have experience in supporting young pupils with SEN and good knowledge and skills to support the teaching of reading, writing and maths. We would like the role to commence as soon as possible.

Our staff enjoy a defined benefit pension scheme, allocated on-site parking, free meals, access to fitness facilities and fee remission. The Marist School has a strong culture of professional development and opportunities for progression are available.
