

THE
MARIST
SCHOOL
ASCOT

Science Technician

Contract type:	Permanent
Hours of work:	20 hours per week, term time only (flexibility on days/ hours)
Salary grade:	Dependent on experience
Start date:	As soon as possible

The Marist School seeks to appoint an enthusiastic and innovative Science Technician to support our specialised science staff with the delivery of the science curriculum at all three stages. Experience of Lab Logger or similar online platforms for practical requisitions would be advantageous to support the smooth transition. The post holder should have a solid understanding of the practical elements of biology, chemistry, and physics.

We welcome applicants with relevant experience and knowledge of a range of required practical and wider investigations, along with an understanding of relevant Health & Safety involved, or able to research these elements through our membership of CLEAPSS. The successful candidate will be instrumental in creating an ethos which facilitates the effective education of every pupil and ensures that they make exceptional progress.

The Marist School offers significant benefits to its employees, including allocated on-site parking, free meals, fitness facilities and school fee remission.

Application information is available from the school's website [here](#) or contact us directly at The Marist School, Kings Road, Sunninghill SL5 7PS, Tel: 01344 624291.

The post will remain open until the position is filled and applications will be reviewed as received.

The Marist School is committed to safeguarding and promoting the welfare of children and applicants must be willing to undergo child protection screening appropriate to the post, including checks with past employers and the Disclosure & Barring Service (DBS). All posts at the Marist are subject to satisfactory statutory employment checks and referencing.

Feet on the ground. Reaching for the stars.
