# Co-curricular Activities

SENIOR PHASE

LENT TERM 2024

BLOCK 3 - 10TH JAN - 15TH MAR

# Co-curricular Activities

We are delighted to offer an extended Co-curricular provision for students in both Prep and Senior Phases.

We want to provide a much more rounded education to all our students; whether they are water sports fans, avid readers, music enthusiasts or they enjoy arts and crafts.

We believe that self-confidence and self-belief go a long way to achieving success and this confidence leads to full immersion and a love of school life.

Please book your child into their clubs via [themarist.schoolcloud.co.uk](https://themarist.schoolcloud.co.uk)
